DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a plain, local farmhouse, with some decorative features. The main (west) facade has three bays, with a central door and small, center gable. There is a simple, box cornice that is returned on the gable-ends. A one-story, open porch has turned posts and a conservative form of "Chinese Chippendale" continuous bracket. Windows are 2/2.

There is a frame barn on a stone foundation nearby.
